Dear Ms. Hachicho,

On behalf of the staff and residents of the Urban Resource Institute (URI), I would like to take this opportunity to personally thank you for the generous donation of a variety of toys from bike helmets to action figures which will benefit families residing at our shelters during the holidays. We are honored that you have chosen to support our organization.

URI provides comprehensive, holistic, and supportive human services programs that empower individuals and families in the New York metropolitan area to change their lives for the better.

With our rich legacy of social service research and expertise, our deep relationships with the diverse communities we serve, and our flexible, innovative approach to program development and service delivery, we are uniquely equipped to provide solutions to the challenges affecting New York's most vulnerable populations.

Our hands-on programs for victims of domestic violence and the developmentally disabled are specifically tailored to meet the needs of the individual, while our advocacy and community outreach initiatives advance social change and build wider visibility and support for the issues that have an impact on our clients' quality of life and New York's urban communities. In 2016, we will expand our outreach even further; to learn more, please visit our website- [www.urinyc.org](http://www.urinyc.org) where you'll find our Facebook and Twitter sites so please "Like" and "Follow" us!

If you have any questions or need information about domestic violence services, please do not hesitate to reach me at (646) 588-0030 or [jwhite-reid@urinyc.org](mailto:jwhite-reid@urinyc.org).

Sincerely,

Jennifer White-Reid, Esq.  
Vice President, Domestic Violence Programs
