Dear Sasha:

On behalf of the children and families of The Shapiro Center for Infant Development Early Intervention Program and The Arc of Essex County, I would like to thank you for your very generous donation of toys to our agency. The toys are a great addition to our Early Intervention program and our consultants have made good use of the new toys available to them. Our consultants have been taking the toys to the homes of the families and have been able to offer the children a greater variety of educational and therapeutic experiences.

You are making a wonderful difference in the lives of our children and families, and to all the people who benefit from the work that you do.

We wish you continued success with this endeavor and commend you on starting this wonderful program that is enriching the lives of so many.

Sincerely yours,
