Sasha Lipton
Governor Livingston High School

Dear Sasha

On behalf of Babyland Family Violence Program, I would like to thank you for the generous donation of "Second Chance Toys" that were giving to our domestic violence shelter by the students in your organization; these wonderful toys will be use in our children's section for their entertainment. As always, with your assistance our program continues delivering great level of service to victims of domestic violence. Families, who are in crisis, need all the help to re-arrange their broken lives.

Without a doubt, your cooperation contributed to aid mothers and children get to the next level and hopefully remain out of abusive situations.

Again, thank you for your support.

Sincerely,

Ruth Kleiman, Manager
Family Violence Program
