

DO GOOD

DONATE YOUR PLASTIC TOYS

Hi there. I'm Second Chance Lance.

I was donated and given a “second chance” at being loved by another child. It’s such a good feeling to make someone else happy. Giving is one of the most powerful things you can do. Now I am able to make another child smile as we play together.

Check out these fun activities that will get you thinking about how you can be powerful and help others this holiday season!

Does it surprise you?

Yes

No

1. There are 16 million children living in poor families.
2. Thousands of children do not get toys for the holidays.
3. Helping others can make you feel better about yourself.

The holidays are a great time to GIVE THANKS.

Check off all the things on the list that you are thankful for.

I am thankful for:

- Family and friends that care about me
- Food on the table
- A good education
- A loving pet
- Trees, birds and flowers
- Gifts during the holidays

Now add your own ideas on the lines below.

You can show thanks by GIVING BACK.

Giving can be as easy as:

- Smiling at someone to make them feel good.
- Holding the door open for others.
- Asking someone to play with you.
- Donating toys you no longer play with.

Using these ideas, or one of your own, draw a picture of someone giving back.
